2012 Fundraising Status Update *by Tom Dornak*

Back in September the civic club kicked off its 2012 fundraising campaign. Response has been good with approximately 50% of residents responding so far. Enclosed in this edition of the Pulse is 2012 Membership & Constable status as of Jan 15th. Thanks to all residents who responded last fall. Another mailing to residents who have not yet fulfilled Membership Dues and/or Constable donation was mailed out in January. As you know, the benefits of maintaining your membership and participating in the Constable program are countless. Our membership and Constable participation has had a healthy increase over the last few years. If you are pending, please take steps today to join the civic club and participate in the Constable program. If unable to donate the suggested amount of \$200 for the Constable Program please donate a lesser amount or consider making smaller donations monthly.

trash yourself. You may use the depositories up to 4 times per month and they are now open Wednesday through Sunday from 9am To 6pm. They also have bins at these locations to accept all recyclables. The nearest depository to SPP is at 9003 N. Main, 713-694-8435, just one block north of Crosstimbers. Adjacent to this depository, at the same address, is the City's ReUse Warehouse where you can donate excess building materials and usable items that are made available for reuse by any non-profit organization. They can be reached by calling 311 or reuseware-house@houstontx.gov.

The Westpark Consumer Recycling Center, 5900 Westpark, accepts all normal recyclables plus batteries, oil, oil filters, tires, computers, and other residential electronics. At this same location is the B.O.P.A. (Batteries, Oil, Paint, Antifreeze) recycling operation that is a drive through where you do not have to unload your own vehicle. Also at the Westpark location is the ReStore, which acts as a book swap, a recycling information library, and a repository for post consumer and post industrial scrap items that can be used in art projects. All of these are open Monday through Saturday from 8am to 5pm, except City holidays.

The City has two Environmental Service Centers which provide drive through drop-off service for household hazardous waste such as anti-freeze, batteries, fuel, oil, paint, pesticides, herbicides, and household cleaners. They also accept residential electronic items like monitors, computers, televisions, printers, keyboards, VCRs, fax machines, cell phones, phones, PDAs, projectors, cable boxes, cameras, servers, game consoles, hubs and routers, copiers, rechargeable batteries, small kitchen appliances, cords and cables. The closest location to our neighborhood is at 5614 Neches, Building C, which is open the second Thursday of the month from 9am to 3pm.

The newest electronics recycling drop-off site is now in service at the CompuCycle building at 7700 Kempwood. This drop-off site is open from 8:30am to 4:30pm Monday through Friday, and 9am to 3pm on Saturday.

Caring for Trees *by Chuck Blesener*

Although we have been getting some nice winter rains lately and City of Houston has lifted the mandatory water restrictions, we are still running a serious deficit in the amount of rainfall our trees are accustomed to. We have experienced some form of a drought in three out of the last four years and forecasters are predicting a dry summer this year. Loblolly Pines require 40 plus inches of water a year to thrive and oaks, while needing less water, have a shallower root system needing regular deep watering.

While we have lost thousands of trees in our parks and elsewhere, most of us have been able to keep the trees in our yards alive with some watering. Many of these trees are stressed and some will not make it through another dry spell. Fall and winter is the time to plant new trees but only if you are committed to watering them regularly throughout the year. In our climate where the ground does not freeze, trees actually grow new roots in the winter and get established before summer arrives. We should plant native species that are more drought tolerant and multiple varieties for diversity.

Trees are a valuable asset for any home and are certainly worth the effort required to keep them alive and healthy.

Garden Club

The January 9 monthly meeting was held at the home of **Alice Bongers**, 1038 Richelieu. The speaker for the evening was Lucia Bettler from "Lucia's Garden". A very informative and well received program on herbs from the garden to the kitchen was presented. A wonderful meal was prepared for members and guests by **Alice Bongers, Jeanette Blesener, Mildred Mohel** and **Beth Galiano**.

Yard of the Month award was presented by **Robin McClung** to **Dot Shepherd**, 1056 Martin.

New residents and guests are welcome at the February meeting, which is scheduled for February 13 at 1057 Martin, home of **Romi Sandel**. The meeting will be co-hosted by **Addie Smith, Geraldine Gurley**, and **Linda Morgan**. The guest speaker will be Odean Head, who will be showing and discussing Bromeliads.

Gardening Tip of the Month:

With winter upon us and outdoor activities limited, let's try a little activity we can do inside, starting a batch of seedlings. Make a batch of Knox unflavored gelatin in a small, clear glass baking pan. Drop a few seeds on the top before the gelatin hardens completely. The whole family can watch the roots grow down as the plants grow upward.

Men's Group

The Men's Group met in January for lunch and presented their annual John Wayne Award to **Jeanette Blesener**. Many of their wives joined them this month and **August Galiano** presented a short video presentation of Ann's Labyrinth in Shepherd Park. The group will meet again for lunch and conversation at Whitney Oaks Hall on February 9th. Monthly luncheons are open to all men of the neighborhood.

Members of the group and some friends will travel by County bus to Hobby Center to see a musical comedy followed by dinner on February 5th. The next bus trip will be on Tuesday, March 20th. Contact **Chuck Blesener** at 713-683-9945 or ccbles77@gmail.com for more information.

Plaza Moms

The Plaza Moms Valentines mixer will be held on Saturday, February 18. The time and place have not yet been chosen.

Correction: The 2nd place Best Lighting Display award should have been listed as 4725 Apollo, instead of 4727 Apollo.
