URGENT

Neighbors,

With another exciting Holiday season behind us, your SPP Civic Club is nearing the end of the principal part of its 2017 Membership and Constable Program support drive and desperately needs your participation.

SPP residents have historically shown outstanding neighborhood involvement and financial support for our voluntary Civic Club organization and Constable Program for neighborhood security. This year's support is no exception and we are on track to meet the financial goals needed to support both the ongoing operating expenses of our Civic Club and the contract obligations for our Constable Program.

It has always been the policy of your Civic Club to raise all the necessary funds to support our Constable Program in advance of entering into the contract renewal for the upcoming year. To accomplish that objective for the upcoming contract renewal we need (as of 12/31/2016) about 80 more residents to renew their financial support, or for any new residents to join their neighbors in supporting this valuable neighborhood service.

The requested donation for 2017 is \$250.00. Your support at that level, with the benefit of our partnership with Candlelight Plaza, allows us to contract for **two** licensed law enforcement officers committed to our two neighborhoods up to 80 hours per week.

If you are new to SPP, or have never supported our Constable Program, please help your neighbors support this valuable program. If you have supported the program in the past, thank you for your support and please renew. With HPD being stretched beyond its available resources, our Deputy Constable Program is an integral component, along with our Citizens Patrol, to our effort to maintain the security of our residents and property.

You can participate by returning your 2017 membership form (included in this edition of the *Plaza Pulse*) with a check to "SPPCC", or renew online through our website (www.shepherdparkplaza.com/pay-constable-and-membership-dues). Please participate today!

Hel l o Neighbors,

In addition to our monthl y Constabl e report, we have al so provided everyone with the statistics for al l of 2016. In particul ar, I am very happy to see that 161 *suspicious persons/vehicl es* CALLS WERE MADE TO THE CONSTABLE'S OFFICE. WE ALWAYS URGE EVERYONE TO CALL THE CONSTABLE IF YOU SEE ANYTHING SUSPICIOUS. LET'S ALL KEEP UP THE GOOD WORK! SPP wil l be a safer pl ace if we l ook out for our neighbors.

Al so notice that our deputies made 2,079 *contract checks* during the year and l ogged 46,982 mil es in patrol l ing SPP and Candl el ight Pl aza. That works out to about 8 compl ete sweeps of our neighborhoods and 181 mil es per 2 deputy shift. There are approximatel y 9.3 mil es of pavement in our contract. To put that in perspective, that is the same distance as getting on Loop 610 at Durham and heading west al l the way past I-10, THE GALLERIA, THE SOUTHWEST FREEWAY, AND THEN EXITING ON BELLAIRE BLVD. THAT'S A LOT of pavement to cover. Deputy Moul den and Deputy Hinkl e are doing a great j ob.

Reminder – if you are a victim of a crime, cal l the Constabl e to report it even if you have reported it to HPD. Our deputies have an outstanding knowl edge of our area and have sol ved numerous crimes. Be sure they know what is going on in SPP.

IF YOU HAVEN'T CONTRIBUTED TO THE CONSTABLE PATROL PROGRAM, PLEASE DO SO TODAY. WITH the budget probl ems of the City, there are fewer HPD officers avail abl e. We need the Constabl e Program. You can contribute either onl ine or by mail .

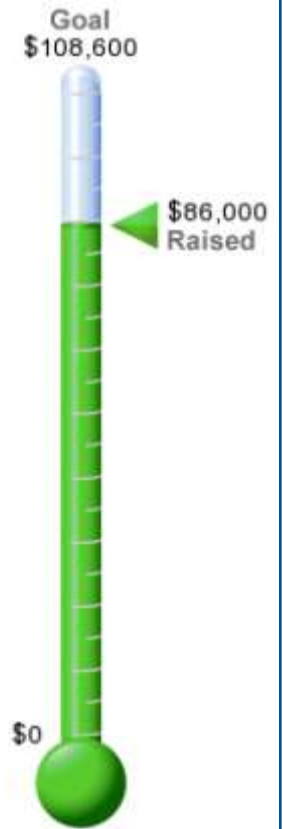

CONSTABLE PROGRAM FUNDRAISING DRIVE

So.... Circling back to the Constable Program. In years past, our residents have been generous enough to voluntarily make a donation to the Constable Patrol Program. We've had as much as 70%+ participation, but right now we're running low. It seems like some of our newer residents have been hesitant to donate because they don't know much about the program. Some benefits of having a Constable patrol our neighborhood:

- ◆ 80 hours of patrolling per week in SPP and Candlelight Plaza.
- ◆ Vacation watch when traveling (must be requested).
- ◆ Increased patrolling for speeding violations to protect our residents, children and pets.
- ◆ Lower crime rates for SPP.
- ◆ The Constables can issue tickets, arrest suspects, investigate crimes and provide a presence that deters criminals in our neighborhood.
- ◆ The Constables can perform a check of your home (by appointment) to determine areas where you can improve the security of your family and property.

The program donations are voluntary. Participants and non-participants benefit from the Constables' presence in our neighborhood. Our longest standing Constable James Moulden often spends his time working to solve specific crimes after they've occurred, in *addition* to patrolling our area. He recently was instrumental in recovering a stolen pressure washer. In the past, he's been key to the return of stolen jewelry, stolen tools, stolen yard equipment and truck tailgates. Our taxes pay for protection by the Houston Police Department, however, in a city our size, it helps to have Peace Officers specifically assigned to our neighborhood.

Our goal is to raise \$108,600 for the 2017 Constable Patrol Program for 2 officers (shared with Candlelight Plaza). To date, we're a little over \$20,000 under that goal (see graph to the right). Approximately 47% of households in SPP are donating to this program! If just 20% of the non-participants would make a donation of \$250, we could meet our goal (See article on page 1 for more about residents needed to reach our goal). If 25% of the non-participants would donate \$200, we could be just slightly under our goal.

Thanks again to Deputy James Moulden for his long-time dedication to the safety of our residents and their homes and property. Your vigilance, time, loyalty and bravery are all much appreciated!

HAY—WHAT A GREAT TURNOUT WE HAD!

Friday, December 23rd turned out to be a fun night when some great volunteers put together a hayride for the SPP residents. Mr. & Mrs. Claus showed up to get everyone in the spirit. The warm weather brought in the crowds and kept the two trucks with their trailers filled with hay very busy. Thanks to Tom Caver and John Mills for driving the residents through SPP to see the wonderful decorations that make our neighborhood such a fun and inviting place for people to visit during the Christmas season. Thanks also to the Morrissey and Selinidis families that provided hot drinks for the riders.

CHANGE HABITS TO IMPROVE YOUR HEALTH

As the “new” in new year fades, so do many of our good intentions. Regardless of what your resolutions may have been, it’s never too late to make small changes that can lead to big results.

Stay Strong – Strength helps us bounce back from illness or injury more easily. Strive for a balanced workout plan that includes strength, cardio, and flexibility training.

Grab a Glass - Drinking water can boost overall health, energy and weight loss. Increase your fluid intake to boost your metabolism.

Get More Sleep  - Skipping sleep can speed up aging and slow down weight loss. Get a minimum of seven hours each night to keep your body running right.

Start with Breakfast - Skipping the first meal of the day can increase risk for obesity more than fourfold. Begin the day with healthy fuel for your optimum function.

Maintain a Balance – Eating a good variety of foods is the best diet you can have. Minimize simple carbohydrates and sugars and load up on healthy fruits and vegetables.

Focus on Nutrients not Calories - While the amount of calories you consume is crucial for weight loss, the quality of your food is often more important. Losing weight isn't all about cutting calories. Focus on the foods most associated with shedding pounds like yogurt, nuts, whole grains, fruits, and vegetables. Avoid processed foods, chips, fries, sodas, and sweets.

Every Step Counts – Whether you walk, run or engage in other exercise, getting up and moving is a great way to reach your fitness goals. Think outside the box and go for a hike in a park or on a nature trail. Throw Frisbee or football with the kids or weed that flower bed or go bowling. Maybe try rock climbing. A variety of activities will keep you from getting bored. Get a partner so you can keep each other motivated.

Prevent Problems – Getting regular medical check-ups and knowing your hereditary risk factors can help prevent bigger health problems.

Get Your Daily Dose of D - New research says that vitamin D may play a crucial role in weight loss by controlling appetite and helping fat cells become more metabolically active. The sunshine vitamin also helps your body better absorb bone-boosting calcium, improves immunity, reduces inflammation, and may even protect against some forms of cancer. Nearly 75 percent of Americans are vitamin-D deficient. The best sources [of vitamin D] are salmon, tuna, and mackerel but fish liver oils, beef liver, cheese, and egg yolks also contain small amounts. And don't forget the most convenient source of all - sunlight.

Tips at your Fingertips – Check out the numerous phone apps that make exercise fun and provide goals and tracking tools. Some have healthy eating tips and calorie counters. You can even sync results with an exercise partner.

SHEPHERD PARK PLAZA CITIZENS PATROL WELCOMES VOLUNTEERS!

The Houston Police Department is concerned about crime in the neighborhoods and communities throughout the city. In response, the Citizen Patrol Program was established in an effort to bring the citizens and the police department together for a common goal, and that is to improve the quality of life by eliminating crime. You can become a volunteer by signing up today! Contact Rick Zebrak at 713-686-8873 or rickzee@att.net for more information.

The Citizen Patrol Program is designed to provide a means for citizens to organize into patrol groups for the purpose of reducing crime in their community. Citizen Patrollers are the additional eyes and ears the police can count on to make Houston a safe place to live and work. The value of police/citizen cooperation is well illustrated by the success of the Citizen Patrol Program nationwide.

Patrollers who turn in at least 4 hours by the 5th of the month are eligible for a random drawing for a \$10 gift card. The winner of the drawing for December is Bill McReynolds.

Benefits local animal rescue. Donations accepted! New and used items.

Journey to Wildlife Certification of Our Yard

By: Cynthia Wolfram

Remember Hurricane Ike?? Following the hurricane, our journey to change the landscape began after the damage to the plants during the storm. Upon reflecting on the opportunity to change the yard, we researched the options of how to certify our yard with the National Wildlife Federation. The process was multi-year with intentional selection of plants to ensure the yard provided shelter, food, water and sustainable practices for the wildlife. Certification provides opportunity to contribute to the movement of people making changes in their yards and gardens to support wildlife, making my yard better for wildlife. The planning, landscaping and sustainable gardening provides quality habitat – food, water, cover and places to raise their young.

The basic considerations are:

Food: seeds, suet, berries, fruits, nuts and feeders for wildlife. Many of these can be provided naturally in the yard throughout the year with plant selections.

Water: Birdbath, water pond, butterfly puddling area are water options.

Cover: Ground covers, evergreen plants, rock pile, and wooded areas.

Raising young: Host plants to caterpillars, mature trees, dense shrubs.

Feel free to visit our yard. We always have plants and experiences to share as we are always changing and developing our yard.

If you are interested in certification, the National Wildlife Federation at www.nwf.org has all you need to get started.

SPP Backyard Garden Tour Update

By Genevieve Erdbruegger, SPP Backyard Garden Tour Coordinator

Thank you for your Backyard Garden Tour nominations! We have quite a variety on the ticket: a no-maintenance yard, certified habitat, tropical plants, roses, pool area and more. The tour will also feature the Children's Gardens at Durham Elementary which were created and planted last summer. The event will be accompanied by a plant sale and lemonade stands, and each featured backyard will provide helpful gardening tips on takeaway flyers.

The Garden Club's missions for the tour are to: bring all generations of the community together, promote interest in gardening, visually inspire, and attract new Garden Club members of all experience levels. Tickets go on sale in March (cash or check only): \$10 in advance or \$15 the day of the tour. Net proceeds will be donated to the Constable Program and Durham Elementary PTA, while plant sale proceeds will benefit the SPP Garden Club.

The event comes to a yard near you on April 2, or April 9 in the event of rain.
Stay tuned for further details.

GARDEN CLUB NEWS

January Yard of the Month
1108 Martin—Lou Rice

When temperatures drop to freezing, many are out covering their yards hoping for good results from the efforts taken. For Lou, great success was had.

She has a lovely yard with Indian Hawthorn framing the front porch. At each end are large Eagleston Holly while Chinese Loropetalum can be seen under the windows. Large vertical planters flanking the entryway contain fire cracker plants. When looking closely you can see Verbena, Lily of the Nile, African Butterfly Iris, and colorful Pansies.

February Garden Club Meeting – **Annual ‘Brown Bag’** – Monday, February 13, 2017

Our February meeting is one of our most fun – it is our annual ‘Brown Bag’ raffle event. Each member brings an item (plant, wine, yard art, preserves, etc.) to be raffled. At the meeting, ‘brown bags’ are placed in front of each item. Members purchase raffle tickets (\$1/ticket), drop tickets in the ‘brown bags’ associated with the items they are interested in. The winner of each item is the one whose lucky ticket is drawn. Thinking about joining? Bring a plant, tool, or other item you would like to share and join us for an evening of dinner, fellowship, and fun; and quite possibly you could go home with a newly found treasure. **The meeting will be Monday, February 13, 2017 at Genevieve Erdbruegger’s home, 1138 Chantilly at 7:00. If you have questions, please contact Vicki Brandt at 281.888.6306 or Debbie Elliott, Membership Chair at 713-686-7571. For anyone wishing to become a member, dues are only \$12.50 for the remainder of the year!**

Rose Pruning Special Event – Thursday, February 9, 2017

As any rose aficionado knows, February is the month for pruning. If you would like to learn how the experts do it, this outing is for you. On Thursday, February 9, 2017, the Garden Club is organizing a special excursion to the Hermann Park Cherie Flores Garden Pavilion for a rose pruning demonstration sponsored by the Houston Rose Society. Members plan to carpool to the event, stopping first at The Raven Grill for a bite to eat, and then attending the demonstration at 7:30. If you are interested in learning more about the event or you would like to join the carpool, please contact Colette Robichau at 713.201.3322 or crobichau@comcast.net.

Reminder about Heavy Trash: Our heavy trash pickup is the 3rd Thursday of each month. Tree waste is picked up in ODD months, and Junk waste in the EVEN months.

= Trash and Yard Waste

= Curbside Recycling (no glass!)

Street sign down? Traffic light blinking? Tree limb down over the street? The City of Houston has a dedicated phone line for these types of non-emergency related issues. You can dial 3-1-1 from any land or cellular line or you can download the app to your SmartPhone.

Don't forget your sweetie on Valentine's Day, which is February 14th. Whether you prefer flowers, a sports outing, chocolate, jewelry, a fancy meal, a night on the town or a concert, we hope it's a good one spent with the one you love.
