

# What Our *Clients & Neighbors* are saying...

*"Closed and Funded! When I reached out to Kristi Kolmetz in April of last year and told her we were ready to move from the burbs, back to the city she told me to trust her that she would find the most perfect house for us. And THAT she did. From the moment we saw this house, we loved it and pictured our family living here and growing up here. There was a bit of a lag so she set us up in a rental house on the most perfect cul-de-sac JUST so we'd fall in love with the neighborhood. She walked us through every step of the process and was a cheerleader and advocate from the beginning. We absolutely would not be in this house if it weren't for her! We can't wait to move in and do cannonballs in the pool. (But we will miss our neighbor friends even though we are one street over)."*
